Phillip Ewen – Managing Director / HSEQ Executive

“HSEQLogic is an indigenous Australian owned and managed Health, Safety, Environmental and Quality (HSEQ) consulting firm, providing tailored leadership, governance, risk management and compliance solutions to businesses throughout the Asian-Pacific region.

With countless years of real-world business operations and technical risk management expertise, we have the depth, experience and agility to deliver results and return on investment.”

• What We Do and Where We Partner

We specialise in whole business leadership development and Integrated Management Systems creation that are tailored, reliable, and relevant to our customer’s needs. We believe in building long-term enduring partnerships through timely, accurate and strategic advice and services. We work with organisations to build culture, capability and make the complex ‘simple’.

Services Snapshot:

- ✓ Executive and operational leadership development (HOP & Business Improvement)
- ✓ Strategic planning, pre-qualification, data analytics & business tendering
- ✓ Group/Org policy, plan & process development, implementation & review
- ✓ System Architecture - Integrated Management System:
 - Health & Safety Management Systems ISO45001
 - Quality Management Systems ISO9001
 - Environmental Management Systems ISO14001
- ✓ Risk Management, Mapping & Assessment (HAZID, CRAW, PRA, SWMS, JSA) to ISO31000
- ✓ Pre-Certification, Gap Analysis and System Rectification Audits
- ✓ Incident Investigation (ICAM, TapRoot & 5W), Non-Conformity & Causal Analysis
- ✓ Injury claim reviews and rehabilitation strategy optimisation
